

ICFS Prize Bonds — Verified Data Reference

Corrections & Verifications Log

- Filer/Non-filer tax rate: Confirmed as 15% (filer) / 30% (non-filer). An older cached version of the CDNS prize bonds page showed 35% for non-filers; the current live page and SBP's own FAQ both confirm 30%.
- Mismatched bond notification number: Correct citation is Notification No. F.16(3)GS-I/2004-1171 dated June 25, 2011. An earlier draft document had incorrectly cited the year as 2014.
- Rs. 100,000 Premium Prize Bond: Confirmed as a legally valid denomination under Rule 5 of the Premium Prize Bonds (Registered) Rules, 2017, alongside Rs.40,000. The CDNS FAQ page notes that, presently, only Rs.25,000 and Rs.40,000 are actually in circulation, with the Rs.100,000 denomination described as "in the pipeline." Present it to customers as rules-permitted but not yet issued.
- Holding period, pledging, and lost-bond process: All confirmed word-for-word against the official Rules PDF (see Premium Prize Bond section below).
